

# GDPR Compliance Magento 2 Extension

## Overview

**General Data Protection Regulation (GDPR)** Compliance was created to protect customer data. In a nutshell, GDPR is the privacy and security law in the world. The regulation was put into effect on May 25, 2018 that establishes a clear set of rules about which regulations businesses can operate in relation to the process of executing customer data.

In order to follow the EU data protection standards, TheCommerceShop has released a new extension. Magento 2 GDPR extension will assist you by deleting customer data permanently, to ensure your GDPR regulation compliance.

## Key features of the extension

1. Delete customer personal & order data permanently
2. Download a copy of personal information in CSV format
3. Cookie policy consent
4. Managing Privacy consent checkboxes in forms including checkout page.

## 1.How to Configure

From the Admin panel, go to **Stores > Configuration > Commerceshop > Gdpr Compliance**

The screenshot shows the Magento 2 Admin Configuration interface. On the left is a vertical sidebar with icons for Dashboard, Sales, Catalog, Customers, Marketing, Content, Reports, Stores, and System. The 'Stores' icon is highlighted. The main content area is titled 'Configuration' and includes a search bar, a notification bell with '1', and a user profile 'admin'. Below the title bar, there's a 'Scope' dropdown set to 'Default Config' and a 'Save Config' button. A red rectangle highlights the 'COMMERCESHOP' section in the left sidebar, with 'GDPR Compliance' listed underneath it. The main content area displays the 'GDPR Compliance Configuration' settings. Under 'General settings', there's a version '1.0' and a toggle 'Enable this extension' set to 'Yes'. Under 'Delete account settings', there's a 'Delete account' field with the value 'Delete your account' and a 'Warning text' field with the value 'Warning - You are about to delete your account fully which will'.
